Shemshak Lodge is a stunning luxury chalet situated in an enviable position on the piste in Courchevel 1850. The chalet has been built to the standards expected in this world class resort.

This luxury chalet is alpine chic at its best, with furnishings and materials brought together by a top London interior designer. Bringing you a whole floor dedicated to your wellness and relaxation, Shemshak features a large swimming pool with panoramic views of the valley, a separate Jacuzzi, sauna, hammam, massage room and your own state of the art gym.

Shemshak Lodge is positioned perfectly to enable you to easily ski in and ski out. Giving the advantage of a fantastic central location in one of the most glamorous resorts in the world along with direct access to the extensive ski terrain of the Trois Vallees. The chalet's desirable location means that you are also within walking distance of the famous boutiques of Courchevel 1850 but, as always with Consensio, you have your own private chauffeur to whisk you back in the comfort of a luxury 4x4.
